Did you know 63% of your employees are actively seeking new positions, and more than 87% will stay when they have a cohesive connection with their immediate supervisor?

With over 45 years of Team Building experience, the strategic alliance between world-renowned speaker, author, and global strategist *Dr. Troy Hall*, and internationally sought *On Purpose Team Building*, will help you establish a culture committed to driving performance and engagement.

Don't lose your top talent from a lack of a defined and cohesive culture.

What is the Cohesion Culture™ Camp?

This high energy and interactive 90-minute learning experience combines the principles of the Best Selling Title, *Cohesion Culture: Proven Principles to Retain Your Top Talent* with practical hands-on activities led by the professionals of *On Purpose Teambuilding*.

What will participants experience?

- Introduction to a Cohesion Culture™ where employees have a sense of belonging, value, and mutual commitment.
- Group activities using technology and break out rooms.
- Applied learning from group discussions and interactions.
